PROGRAM OUTCOME

PO1-This program highlights the concepts and skills of Accountancy and Commerce.

PO2- A Bachelor of Commerce degree is structured to provide the students managerial skills in disciplines related to commerce

PO3- Also, by the end of the program, students gain an in-depth knowledge on core subjects like Accounting, Economics, Law, Statistics, Finance, Marketing etc.

PO4- The structure of the course requires students to study compulsory and elective subjects from the core program.

PO5- Apart from the normal curriculum, students get to participate in cross cultural group activities like clubs under the banner of EMAC Zone for which meetings are conducted after lectures, which leads to developing their interpersonal skills.

PO6-Students are also encouraged to take part in team activities like debates, extempore challenges, PPT competition, public speaking, quiz, essay competitions, community activities and social service which helps them to explore their talents and skills.

PO7- It seeks to provide students with the knowledge and technical skills necessary to understand and participate in the modern business world, to prepare them for subsequent graduate studies and to allow them to achieve the highest level of success in their professional careers.

PO8-Hence this is a degree that offers students with expert knowledge in a variety of fields of organization and business management and makes the students well prepared to be successful in both corporate and self-employment
